

Proudly serving our party and our community since 1997

The Stonewall Democrats of Suffolk County (formerly Gay Democrats of Suffolk County) is a group that formed 10 years ago with the purpose of increasing visibility of the GLBT community in local politics. We have raised thousands of dollars for gay-friendly candidates and endorsed candidates who support our community.

At Long Island Pride Parade, June 10, 2007

With two of our endorsed candidates winning election in November 2005, the Suffolk County Legislature now has a Democratic majority, and openly gay legislator Jon Cooper has been elected Majority Leader! But we still have work to do...

We need volunteers throughout Suffolk County, so if you live anywhere from Amityville to Montauk or Huntington to Orient Point, please help us by becoming a member of Stonewall Democrats of Suffolk County.

Dues for 2007 are \$20.00 (\$10.00 of your \$20.00 dues payment goes to membership in National Stonewall Democrats).

If you are a registered Democrat in Suffolk County, please fill out

the form below and mail it in with your dues payment of \$20.00 payable to "Stonewall Democrats of Suffolk County." Please contact us at 631-940-6040 with questions.
